Artists may apply for any scholarship listed on the Arts Victoria website, however granting of scholarships may be limited to one successful scholarship per calendar year art-form where demand is high. Artists and organisations must not have outstanding grant acquittals to Arts Victoria and must have acquitted all previous Arts Victoria grants prior to the application deadline. Arts Victoria will not auspice funds for an applicant. Artists must notify Arts Victoria if they cannot take up the scholarship immediately.

Successful applicants

Successful applicants will receive between to \$700-\$1000 to attend depending on whether the applicant is from a regional area or from Melbourne. Artist Managers will be funded a flat rate of \$500 to attend and these funds will be paid to the artist. Not all successful applicants who applied for their Manager to attend may be funded.

Successful applicants are required to make their own arrangements to attend the conference including purchasing airfares, accommodation and conference registration. Successful applicants will receive an amount to contribute towards the costs of attending the conference as listed above and any additional costs incurred are required to be met by the applicant. The successful applicant is required to:

- sign an Offer of Funding on notification of successful application
- submit a Tax Invoice to Arts Victoria
- acquit the grant by providing a written report and photos of the outcomes of attending the conference by the requested date.
